

Notice for the Students of 3rd semester (All Branches)

With a view to enhance the employability skills and impart deep knowledge in emerging areas which are usually not being covered in Undergraduate Degree credit framework, AICTE\ GTU\ College has come up with the concept of 'Honors\Minor Degree' in emerging areas. Keeping in mind the need of manpower in emerging areas, AICTE\ GTU\ College with the help of industry-academia experts, has framed the curriculum for five Minor Degrees: 1) Artificial Intelligence and Machine Learning, 2) Electrical Vehicle, 3) Robotics, 4) Green Technology and Sustainability Engineering and 5) Forensic Structural Engineering.

All the Students of 3rd semester are hereby informed to attend the online/offline introductory session on Minor course as per the following schedule:
